Prophetic Word

Knowing that I am to appear on "Watchman TV" at www.WBPI.org on the night of January 2nd I had been studying the word around "Watchmen." Last night the Lord woke me and told me to re visit Ezekiel 22* and Nehemiah 4**. As I was reading and pondering these two scriptures, HE said to me:

"These truths are not only for you and your family, but also for all that you come in contact with through the ministry as well as everyday life. Proclaim this word: 'That this is the appointed time -- the Kairos moment - and this is the time to climb the wall and stand in your place!' Don't be concerned where your place on the wall is for I will show you your place if you ask me and seek me according to Matthew 6:33.... 'Seek first the Kingdom of God and His righteousness and all these things will be added to you'..... My heart (Father's Heart) is that your joy be fulfilled as you stand with one hand holding a construction tool and the other hand holding a weapon. Many have been discouraged, discomfited, frustrated, ready even to give up, despairing sometimes even of life, but I, the *Lord of Hosts* have made a way for the battle to be fought that the victory that I have won will also be yours experientially.... BUT the primary focus is to be on others first..... Not yourself. This is the hour of Giving....*All are being called to give some, and some will be called to give All!**** His nature and joy is in giving, and as you give of your life on the wall your life and your family's life will flourish as never before. This is not a spectator event...this is War! Now is not the time to sit, but the time to Stand & Fight....Stand and see His salvation...cooperate with Him...work with Him....follow the Captain of your salvation....praise and worship Him....and His glory will be like a river that never runs dry and the force of which is cleansing and refreshing. As you stand in the battle your eyes will be opened to see the heavenly host that has been sent for YOU. They will strengthen you, comfort you as you stand! I long to visit you and take you deeper into My glorious river. Yes! Even as you stand in the midst of the battle there will be a river flowing from your very belly....the River of life of which there is no end! The river that I have sent for the healing of the nations and the restoration of all things!"
